Our Story

Since 1996 our family has been meeting the needs of grieving families with dignity, respect and compassion.

This commitment to others has resulted in us becoming leading funeral directors in Southern California.

We offer our family's service to you 24 hours a day, 7 days a week. We are dedicated to memorializing your loved one with honor and respect.

Since we are family owned and operated, we are not driven by high corporate overhead and we offer affordable options with a more relaxed atmosphere. We hope this information will help you and your family to make the right decision in planning services and options.

We realize that every family has unique requirements and that printed information probably will not answer all of your questions, so please do not hesitate to ask if you have any special requests or concerns. We are happy to oblige. Our family thanks you for placing your trust in us. Manny Godoy & Rocky Bautista
